Kenyan Troops

The Haitian People In The Middle

After 2 years of delays, arrived during June and side Haitian Police in an and order to the chaos has reigned unchecked plan is for many other countries to join this

400 Kenyan troops July to work along-effort to restore law and violence which there for years. The troops from other force very soon.

NOTE: From all of the reports that we have received from those on the ground there, while the gangs are definitely still operational, the overall situation has somewhat improved, especially in the Capital City. The airport and major roads have re-opened, and traffic is flowing much better, with fewer gang blockades and greater security. However, 400 troops can only make a start. PEACE will be a long process.

Without getting into details, we also received news 5 days ago of specific gang activity away from Port-Au-Prince. The gang was reportedly working to take out a bridge in order to cut off and attack an entire village and the ministry located there. We are familiar with these folks, and are still waiting to hear an update on that situation. We invite you to pray with us for those people to be delivered from that evil!

Opportunities To Help ~ VBS, Camps, Haiti Relief

Along with the seasonal requests we receive each year for help with various youth ministries such as **VBS** and **Camps**, Janice and I also serve donors by forwarding their crucial monthly support to the men on the field to meet many needs under the heading of "**Haiti Relief Funds**" (HRF). The truth is, apart from a single unsolicited gift for a Camp Project earlier this year, we have had no funds for Youth Camps. Also, our HRF is virtually used up, with a mere \$65 balance. Would you please look over the list below, and prayerfully consider if the Lord would use you to help out with even a part. Simply call, text, or email us with any questions or for details:

Pastor Garry - (Lives in the D.R.) **\$500** still needed to help with a VBS in Haiti
Pastor Leon - Aug. 14-16 Children's Camp (Ages 6-14) Plan for 150 kids **\$1,200**
Aug. 20-25 Youth Camp (Ages 15-21) Plan for 120 youth **\$1,400**

Pastor Eddy - Unsupported young pastor who just received his MA Degree and who serves in a team with Pastors Leon and Faude in St. Marc. Eddy sacrificially served our teams on a regular basis, but we have not been able to tour with him in The U.S. We have supported him from the HRF, but that fund is now depleted.

Pastor Alexandre Leclerc - The converted son of a village (Lady) Voodoo "Mambo". Alexandre is pastoring the village church where he was raised. Like Pastor Eddy, he is also in need of support. Currently he receives \$50/mo.

The Haiti Relief Fund - Used to meet many urgent needs, including pastor support
Pastor Leon's Christian School - Starts in September. Zero balance. **\$1,300/Mo**
